Application Document

CONFIDENTIAL

Students undertaking the Bachelor of Nursing (BN) Programme are required to make a declaration about whether they have ever been convicted of any offence against the law. It is programme policy to alert the applicant to this requirement. This information is sought so that potential problems regarding registration as a nurse may be discussed with applicants before their application is processed.

If you are accepted onto the BN Programme, and have resided in New Zealand for six months or more, you must complete a New Zealand Police Vetting Form.

NB: If you have not resided in New Zealand for the past six months, you will need to provide a Police Vetting Form from your country of origin or residence.

In addition to completing a New Zealand Police Vetting Form, please complete the declaration over page and return with your application to:

I hereby declare that the information I have given is true and accurate; no information which could have a material bearing on my registration as a nurse, has been withheld; I understand that making a false declaration is an offence under the Crimes Act 1961, No. 43.
