

Applying

You can apply online at any time for our programmes. We are ready to help if you have questions about your application, what documents you need or what stage of the process your application is sitting.

We aim to get back to you in 5 business days once we receive your application. Sometimes it can take time to process your application because we may need to check information or require more documents from you.

At NMIT we pride ourselves in getting to know you, that starts right from when you apply.
