

Targeted Training and Apprenticeships Fund

The Government recently announced the Targeted Training and Apprenticeships Fund (TTAF).

The fund makes it easier for kiwis to train in industries where demand is expected to grow as New Zealand recovers from COVID-19.

NMIT is proud to offer you fully funded programmes across:

- Engineering and Trades
- Horticulture
- Viticulture and Winemaking
- Aquaculture
- Maritime

[View all fully funded programmes](#)

Visit the [Learner FAQs\(external link\)](#) for eligibility criteria and more information. This funding is available for domestic students only and you must meet and required entry criteria.

** Some costs may also apply, details will be made available during enrolment.*
